

MISSION STATEMENT

Multnomah County Master Gardener™
Growing, Educating and Connecting Communities.

We share research-based knowledge with the public to promote sustainable gardening practices. Our work supports and enhances the Oregon State University Extension Master Gardener Program.

Approved by the MCMGA Board March 26, 2019

CONSIDERATIONS for making decisions about where to spend energy, time and funds

Members

Can a diversity* of members participate?

What is the benefit to members?

What is the benefit to the MCMGA Chapter?

Public

Will this activity help us reach a wide and diverse* public?

Will this project succeed in impacting the intended audience?

Is this an opportunity for the public to better know the MCMGA Chapter as a resource?

Is there an opportunity to partner with other organizations?

OSU Extension

Does this project support and enhance the OSU Extension Master Gardener mission to educate and provide reliable information?

* A diverse and inclusive environment welcomes all protected classes as well as consideration for geography, experience, work schedule, non-native speakers, childcare responsibilities, access and transportation needs.
