

**Multnomah County Chapter of the
Oregon Master Gardener™ Association**

In support of the OSU Extension Service Master Gardener Program

Educate! Project Idea

Got a great idea?

We invite all Multnomah County Master Gardener™ Chapter members to think about educational outreach that supports our mission of bringing relevant, research-based garden education to the public in neighborhoods throughout our county. We are eager to hear your thoughts and to support you in the development of innovative projects and activities. Please complete this *Educate! Project Idea* form if you have some details to share. But no worries if you aren't ready to put the details on paper. Feel free to contact us and chat first. We look forward to hearing from you!

Project or Event Name
